

Industrial Hygiene/Environmental Consulting Position

Contact Brandon Sinkbeil | brandon@dsconsulting.com | 303.286.9094

DS Environmental is seeking qualified applicants to fulfill 2 full-time, industrial hygiene/environmental consulting positions. Our team provides an array of industrial hygiene and environmental consulting services to a diverse range of clientele throughout Colorado and neighboring states. More information on DS Environmental can be found at dsconsultinginc.com.

Applicants with current, applicable State of Colorado certifications are preferred, but may not be required depending upon the individual applicant. Desired certifications include State of Colorado certified Asbestos Building Inspector (BI), Air Monitoring Specialist (AMS), Lead-Based Paint Inspector (LBP) and certifications/training in Mold and Radon inspections and testing. Contaminated soil remediation experience and any other related certifications or training are a plus. A general knowledge of construction and building systems is beneficial. Any experience providing training or health & safety oversight is a plus.

Main Duties Include:

- Building Inspections for Asbestos, Lead-based Paint, Mold, Radon, Methamphetamine, IAQ, etc.
- Air Quality Testing (Personal Air Monitoring, Final Air Clearances, Occupational Exposure Assessments)
- Data Interpretation and Communication with Clients
- On-Site Sample Analyzation (Phase Contrast Microscopy)
- Record Keeping, Data Recording and Report Writing
- Travel throughout Colorado and possibly neighboring states
- Soil remediation oversight, water and air sampling, working outdoors

Minimum Qualification Requirements:

- High School Diploma or GED
- Current Driver's License with a clean driving record
- Willing to travel (day travel mostly, overnights occasionally but seldom)
- Pass a physical and respiratory fit test
- Pass a pre-employment background check and drug-screen
- Punctual, meticulous, and reliable
- Excellent communication, writing, problem solving, and multi-tasking skills
- Computer knowledge with experience with Word, Excel, Outlook
