CEPA Continues Support of Shining Stars Foundation

CEPA on behalf of our members, continue to support the Shining Stars Foundation. The Shining Stars Foundation gives strength, support, and hope to children living with pediatric cancer or another life-threatening illness and their families through outdoor, social, and recreational experiences.

CEPA Member Feature

Founded in 1989, Risk Removal is a leading provider of environmental services. We are a local company that is family owned and bring our clients extensive experience, technical knowledge and resources to safely complete hazard abatement and remediation projects. We comply with all regulations while delivering a high level of customer satisfaction. These projects include asbestos removal, lead removal, mold remediation, methamphet-amine, decontamination, hazardous material removal, and

environmental remediation.

Risk Removal serves the environmental services needs of governments, universities, public school districts, and municipalities. We also work extensively with commercial, industrial and residential property owners.
