CEPA is Social!

CEPA leadership is making communication of resources, opportunities and information a priority. This week, CEPA goes social with Facebook. Do not miss out! Join the **Members Only CEPA FB Group** and **'Like Us' and Follow CEPA on the CEPA FB Page**.

Click the links below and you are on your way to being CEPA Social!

Heads Up

CEPA suggests that you submit your GAC and/or Individual Certification Application to CDPHE as soon as is allowable (30 days prior to expiration) and then follow up often. Members have reported that the follow up is key to a timely response.

CEPA Member Feature

“Brandon grew up in the middle of the largest Superfund site in America, where he saw firsthand the damage that can be unleashed upon the environment. Working on his grandfather’s ranch taught him the value of hard, honest work and how to appreciate a job well done. Prioritizing ethics over profits has been the cornerstone of DS Environmental’s mission to serve our diverse clients, while striving to maintain a balanced and accommodating work atmosphere for our exceptional team of hygienists. By holding ourselves to the highest standards, DS Environmental endeavors to maintain integrity while providing valuable services to the industry.”
