

CTL|Thompson, Inc. is seeking a full-time Asbestos Inspector/AMS to become a part of our Denver Environmental team.

Primary job responsibilities will focus on asbestos; therefore, candidates must be a certified Asbestos Inspector in the State of Colorado to be considered. Other certifications, including Air Monitoring Specialist (AMS), are helpful but not mandatory. Additional responsibilities may include environmental site assessments, storm water management, site remediation, and industrial hygiene. Ability to perform or learn these other duties is preferred but not mandatory.

Training is an essential component of this position and individuals with varying levels of experience are encouraged to apply. Areas of training include topics relative to your responsibilities, as well as cross training of other areas to promote future growth and development within our organization.

Full-time Asbestos Inspectors/AMS are paid between \$18.00 and \$22.00 per hour and enjoy a generous benefits package which includes medical, life and long term disability insurances. Our offer will be based upon individuals experience and qualifications. Voluntary benefits options include dental, vision, supplemental life, short term disability, a flexible spending account and others. Retirement benefits include a 401K and profit sharing plan. A company vehicle will also be provided.

As leaders in the industry, CTL|Thompson employs only those with technical excellence and professionalism. Individuals exhibiting these qualities are attracted to CTL|Thompson by the potential for professional growth and advancement within our organization, and the opportunity to work alongside industry leaders.

CTL|Thompson, Inc. is an equal opportunity employer/veterans/disabled.

Any offer of employment will be contingent upon:

1. Verification of your right to work in the United States, as demonstrated by your completion of the I-9 form upon hire and your submission of acceptable documentation (as noted on the I-9 form) verifying your identity and work authorization within three days of starting employment.
2. Satisfactory completion of a drug test from a laboratory certified by Colorado and chosen (and paid for) by CTL|Thompson. The laboratory will collect and test the drug test samples, for which the required notice will be included with any employment offer and for which the required consent forms will be provided by the laboratory.
3. A valid driver's license and acceptable driving record in accordance with the company automobile insurance policy guidelines.
