## CEPA Member Feature

Colorado Cleanup Corporation (CCC) specializes in commercial earthwork and demolition. Based in Englewood, Colorado, CCC has built a reputation for aggressively taking on some of the most challenging demolition and earthwork projects in the Front Range.

CCC continually push the boundaries of the demolition and earthwork industries through creative engineering and the use of advanced technology in demolition equipment allowing clients to realize cost and time savings.

CCC are comprised of talented management and field personnel that are enthusiastic about industrial demolition services. Our extensive fleet of equipment insures we can handle any high-rise demolition, urban excavation and soil remediation with assurance.
