CEPA Member Feature

Hillen Abatement is an environmental contractor serving commercial, industrial, education, federal, state & municipal, healthcare and residential customers. Our main service is asbestos abatement. Our

turnkey services include demolition, interior demolition, Concrete Saw Cutting, Lead Remediation, mold remediation, Hauling & Roll-Off Services. Our management team has more than 100 years of combined experience in the industry.

Our commitment to safety has translated into continued business growth. In our effort to maintain our professionalism and adherence to safe practices, we spend the necessary resources for safety training and for the best tools and equipment. We are constantly improving and adding safety programs, which are designed to engage our employees in the quest for safety.

Services include: Demolition, Concrete Saw & Core Cutting, Roll-Off Services & Abatement.
