

CEPA Member Feature

All-Phase Environmental Consultants, Inc. (APEC) is a Colorado Corporation dedicated to providing high quality, cost competitive environmental consulting/management services. APEC has been solving environmental problems associated with regulatory and liability issues since the company's inception in 1999. Our company expertise is in:

- environmental site assessments
- risk assessments
- environmental liability consulting
- regulatory compliance and permitting
- underground storage tank
- aboveground storage tank
- UST/AST) removals and installations
- asbestos sampling and management
- lead-based paint testing
- mold evaluations
- home energy ratings
- duct blaster testing
-

We provide services to a wide variety of lending institutions, governmental agencies, and industrial and commercial clients. Our goals are to provide environmental consultation and investigative services that comply with the increasingly more complex and demanding regulatory requirements
